ALL OF THE patterns and designs in this book were specially created by John Serrao, with the spiritual guidance of Poakalani and inspired by the dedication of their quilting family - Joseph, Raelene, Wilhelmina and John Jr. Thirty-two master quilters under the guidance of Poakalani and John Serrao also assisted in the completion of these books by quilting the 30 blocks featured in two separate books. What started out initially as one book featuring only 15 blocks became two books with a total of 30 quilted blocks.
