Nice designsBy NJQUILTERVery nice book on Hawaiian Appliqu with some great patterns and techniques. Some of the designs are repeated in other volumes as well.

The fifteen specially created quilt patterns and designs from Poakalani and John Serrao's quilting family continue the art and legacy of Hawaiian quilting with their beautiful designs which reflect the beauty of Hawaii from the curving shape of the honu to the heart-shaped anthurium. A must-have for quilters who enjoyed the first volume of patterns and need new patterns for new projects.
