glassware that i had.20 of 21 people found the following review helpful. ExcellantBy A CustomerThe pictures are outstanding. This is an easy to use reference guide with over 150 patterns, all alphabetized for quick and easy referance.0 of 1 people found the following review helpful. Four StarsBy ladyfromdixiegood book for i.d.ing glass

Depression glass is still the most popular galss collected today and Gene Florence's Pocket Guide is one of the bestselling books dealing exclusively with this glass. Now completely revised with over 4,000 values being updated and hundreds of listings to reflect the ever-changing market, the guide includes patterns from the '40s and '50s for the first time. Gorgeous, full-color photos show great detail and make indentification simple.
