Patricia Stone : Portuguese Needlework Rugs: The Time-Honored Art of Arraiolos Rugs Adapted for the Modern Handcrafter before purchasing it in order to gage whether or not it would be worth my time, and all praised Portuguese Needlework Rugs: The Time-Honored Art of Arraiolos Rugs Adapted for the Modern Handcrafter:

0 of 0 people found the following review helpful. Great resourceBy puffcurlsThis is a great book for anyone trying to master the art of making Arraiolo rugs. It is very difficult to find any resources out there teaching this artwork in such detail. Yes, the book is a bit old, and therefore there is no color in the images. If there was color it would be even better, but since this is the only option I will take it!0 of 0 people found the following review helpful. Good bookBy ARTJust wish she had gone into more detail on the different types of stitches. Better pictures would have helped with the explanation of some of the stitches.0 of 0 people found the following review helpful. Five StarsBy Eliz8oBest

Book. Patricia Stone did an excellent job putting history and technique together in English.

Beautiful and valuable, Portuguese Arraiolos rugs can be created even by inexperienced needleworkers. This book presents complete instructions for making any of 13 designs alongside a pictorial gallery and history of these durable rugs.
