**Margaret Roberts : Pot-Pourri Making** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pot-Pourri Making:

0 of 0 people found the following review helpful. Four StarsBy Cheryl L. HuffNice little book, lots of info.

With simple recipes, clear instructions, and delightful illustrations, this book is an entertaining guide to making fragrant pot-pourri for every room in your home. You get moist and dry pot-pourri using a variety of ingredients: sage, peppermint, allspice, rosemary, cinnamon, jasmine, and more.
