Ann Tucker Fettner : Potpourri, Incense, and Other Fragrant Concoctions before purchasing it in order to gage whether or not it would be worth my time, and all praised Potpourri, Incense, and Other Fragrant Concoctions:

1 of 1 people found the following review helpful. Nice book if you have a huge gardenBy Anne L. WatsonI'm sure this book would be very useful for someone who has an enormous fragrant flower garden and time to make lots of potpourri. Lacking the garden, about all you can do is dream.0 of 0 people found the following review helpful. and was very happy to get this for someone with like interestBy Janice ClarkI have an older edition, and was very happy to get this for someone with like interest. Great condition and quick delivery. Thank you.0 of 0 people found the

following review helpful. Nice book
By Customer
Some great recipes for incense, but I don't recommend using saltpeter, so find substitutes for that ingredient.

"Recipes for making potpourri sachets, scented candles, [and more]. . . Many good suggestions for decorating. . ."--
Library Journal. "This delightful little book is for all flower lovers, rose gardeners, herb fanciers, and all who love the sweet smell of spring. Included are recipes and instructions for making enchanted scented concoctions-things like potpourris, sachets, incense, pomander balls, toilet water, and other flowery things"-- The South Carolina Gardener. Selection of the Better Homes Gardens Family Book Service. 209,000 copies in print.
