**Simona Hill : Practical Guide to Crafting with Mosaics, Ceramics Glassware** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Practical Guide to Crafting with Mosaics, Ceramics Glassware:

2 of 2 people found the following review helpful. Five Stars By Barbara H Dagostino beautiful book tons of pics and projects to do - great starter book for someone like me  
2 of 2 people found the following review helpful. Practical Guide to Crafting with Mosaics, Ceramics Glassware By J.D. Valleau Great book for the beginner. Very concise explanation of the different tile crafting processes. If you have been saving broken pieces of glassware in hopes that you will one day be creative and make a mosaic out of them, this is the book that will make it seem so easy to do. This seller sent me a book that was in better condition than I expected and sent it very quickly. This whole buying experience was 5 star.  
2 of 2 people found the following review helpful. Five Stars By Laura L. Gregory Love this book very useful

150 easy-to-make, original and stylish projects for home and garden using mosaic, decorative china, painted tiles and stained glass shown in 700 step-by-step colour photographs. Contains everything you need to know about techniques and materials

About the Author Simona Hill the compiler of this volume, is a highly creative editor of illustrated lifestyle and craft books. For this book, she has brought together a carefully selected team of leading contemporary artists and craftpeople, who have designed the specially commissioned projects in the book.
