Miles Lee : Puppet Theatre: Production and Manipulation before purchasing it in order to gage whether or not it would be worth my time, and all praised Puppet Theatre: Production and Manipulation:

0 of 0 people found the following review helpful. An alternate way to teachBy Constance Hill, MrsThis book and another were donated to Lee Elementary School in Chicago. The puppet-related books are for this school's librarian who engages students with a variety of ways to tell a story, and directs an annual musical starring the K-8 students.

Aspiring puppeteers, and established professionals, will learn from this valuable book. The author discusses how to

select a play and the process of bringing the written word to life on the puppet stage. As well, there is a valuable chapter of manipulation exercises for developing subtle puppet movement.
