**Bruce K. Chesse, Beverly Armstrong : Puppets From Polyfoam : Sponge-ees** before purchasing it in order to gage whether or not it would be worth my time, and all praised Puppets From Polyfoam : Sponge-ees:

1 of 3 people found the following review helpful. excellent starter bookBy Steven LeggettThis is the perfect book for anyone just starting to work in polyfoam puppet construction.

This is a " how to" book on making puppets from polyfoam. Done in a recipe format it gives you instructions on how to make simple (Muppet style) polyfoam puppets. Fun for all ages. Suggested ages 7-adult

Bruce Chesse, with his book and video, opens many creative doors for young people. -- Donna W. Murphy, Principal Paul T. Albert School, Tununak , AK Each step is carefully shown though not always explained. The instructions are practical and should reduce confusion. -- Teresa Batemen, Brigadoon Elem. Federal Way, WA School Library Journal 2/93 Seen visiting three schools, puppeteers Susan Barthel and Bruce Chesse make simple puppets and demonstrate

movements and voices. -- Nancy McCray Booklist 12/15 92' About the Author Bruce K. Chesse is Artistic Director of the Oregon Puppet Theatre of Portland, Oregon. He began his career with his father Ralph Chesse, at the age of 13. Since then, his puppetry has taken him to Japan, Russia, Poland, Sweden, Denmark, France, and Great Britain. Bruce has been an innovator in the field of puppetry in education applications since 1970. Instrumental in developing Artist-in-School programming throughout the United States. He currently conducts workshops for schools, museums, community and business groups in many states. OPT was founded by Bruce and Susan Barthel in 1983. It tours throughout the US with innovative productions for all ages.
