Very few common size of one inch and the ones that are a good size are not anything you would want to wear. Most images are two by two. Who wears a pendant that huge? Also it's loaded with instructions on shrink wrap and these are not shrink wrap. I think the book is an irregular with the wrong instructions. Will return!0 of 0 people found the following review helpful. Very nice assortment of images ~ wish they would make even ...By Magickal*MadnessI was pleasantly surprised with this collection. There are more images than I pictured based on the description, the printing is very high-quality and does not bleed when using epoxy or glue to attach them to jewelry blanks. Very nice assortment of images ~ wish they would make even more varieties! Will buy again!!0 of 0 people found the following review helpful. 6146 Quick Easy Peasy Jewelry: It's super easy to create beautiful pieces of jewelry with the paper art in this book from Hot Off The Press. Use any or all of the 370 pieces of miniature art with acrylic shapes, shrink plastic, microscope slides, patera jewelry (ornamental amulets), and glass tiles. Just cut out, attach and seal. See? It really is easy peasy!
