next book is available in this series Read her first series last year when I first came across them.. Kate Meyr has settled into a pleasant life in Borna, Missouri and is adjusting to the challenges of becoming an innkeeper. Thankfully, the Thanksgiving and Christmas holidays bring both friends and relatives to the guest house, including Aunt Mandy and Jack, who both make life-altering decisions. All the while, troubling events occur on the property, making it clear that there are those who do not welcome the energetic Kate. Kate meets the challenge head on and spearheads an effort to bring the spirit of Christmas to everyone in the community.
