I made this purchase for a friend as a gift who really wanted the book but couldn't find it. She is going to be thrilled!0 of 0 people found the following review helpful. Five StarsBy happymom5Lots of great ideas.0 of 0 people found the following review helpful. FabulousBy TinaCool book, Just as described. Quick easy way to change up your scrap book pages. Thanks a bunch, really enjoying it

The age-old art of quilting has found its way into the hearts and scrapbooks of artists across America. Using glue, paper, photos, thread and fabric, scrapbook crafters will learn how to create beautiful quilt designs to surround their

precious photographs and keepsakes. A wealth of instruction and inspiration takes readers step-by-step through creating scrapbooks that are sure to become family treasures. Templates, advice on choosing colors and papers, and tips for sizing each border and background ensure beautiful results. Plus, designs for creating America's favorite traditional and contemporary quilt patterns are included - from the Ohio Star, Log Cabin and Tumbling Blocks to Applique and Trapunto. Easy-to-follow instructions combined with user-friendly patterns ensure great results even for the beginner.
