Recently she brought out the quilts my mom had made when my wife and I were first married. She made up her mind she was going to learn quilting. The book is an excellent way to begin the process. My wife enjoyed the book as is ready to begin doing her quilting thing.1 of 1 people found the following review helpful. good to go in the pages on every day basis ...By KATE LUTTERODT kalutgood to go in the pages on every day basis to search and read and solve problems and learn at the same time, it makes quilting very easy and enjoyable. I love tis book.10 of 10 people found the following review helpful. Eureka! I found it!By GrandmaThis book is just what I needed. I am a beginner, as far as quilting goes, and this book has it all. It is easy to understand and every thing is step by step which is just what I wanted. I had purchased other books about beginning quilting before this one and wish I had gotten this

one first.
