Love this colorful book with oodles of great quilt patternsBy Gail VanInwegenLove this colorful book with oodles of great quilt patterns. I ordered it because I so enjoy reading the boo to my grandkids.. Now I have lots of good ideas for quilts to make for them and others. Easy to follow instructions and great color ideas. I will cut this short so I can go quilt. Enjoy it!1 of 1 people found the following review helpful. This is one of my favorite quilting books and I recommend it to everyoneBy Carla GillespieThis is one of my favorite quilting books and I recommend it to everyone. I loved reading the original story to my children when they were young and this quilt book

incorporates parts of the story book including the pictures. The instructions are clear and easy to follow. Great book!
