Ruth Owen : Ready, Aim, Fire! (DIY for Boys) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ready, Aim, Fire! (DIY for Boys):

"Boys will learn how to make an arsenal of weapons including everything from a marshmallow shooter to a mini crossbow. With an emphasis on safety and responsible shooting, this book serves as a well-balanced introduction to marksmanship as well as to following instructions and decoding procedural language."--
