I especially love how he breaks down the steps to make it easier for those of us who aren't experts in this artform to follow along, and hopefully come out with a carved pumpkin that gets the neighborhood talking.2 of 2 people found the following review helpful. I won my office pumpkin carving contestBy AnonymousThanks to this book, I won the office pumpkin carving contest, which also won me \$250.00! Granted, my pumpkin did not turn out as amazing as the ones in this book, but definitely worth the purchase. One thing to note about this book, there are only a few step by step

guides at the beginning of the book and the rest of the book is filled with beautiful carvings by the author, which are great, but didn't help with my personal carving. Hence the four star review. But all in all, worth it. And I'm sure with more practice, my carvings could slowly look close to his. On a side note, you DEFINITELY need the right tools for the job. Any sort of wood carving tools will do. Just make sure it's an assortment of wood carving tools. 0 of 1 people found the following review helpful. Five Stars By Customer good book

Make Halloween magic this year and carve the best pumpkin on the block! This book will show you how to use easy-to-learn techniques to create awesome 3-D pumpkin personalities that will astonish your neighbors, family, and friends. Award-winning pumpkin carver Lundy Cupp teaches you how to use simple household knives and inexpensive tools to carve memorable pumpkin faces, from frightful and spooky to fanciful and goofy. Learn the secrets of bringing expressive pumpkin characters to life by adding realistic details like teeth and eyes instead of just cutting out solid shapes. Lundy takes you step-by-step through detailed projects for both beginning and advanced carvers. 20 ready-to-use patterns are included for carving imaginative faces in pumpkins, gourds, squashes, and sweet potatoes, plus two complete step-by-step projects, and a stunning photo gallery.

But the former criminal fraud investigator and bounty hunter made a major life change, and now pursues his art as a full time career. Lundy has been featured on two PBS television shows, is a frequent contributor to Woodcarving Illustrated magazine, and demonstrates pumpkin carving for corporate events, museums, and private parties. Tennessee Crossroads says: "Cupp is a self-taught artist whose love for the outdoors opened the door to his hidden talent... his cleverness at carving is striking... Cupp is crazily creative with his craft."
