**June Anderson : Return to Tradition: The Revitalization of Turkish Village Carpets** before purchasing it in order to gage whether or not it would be worth my time, and all praised Return to Tradition: The Revitalization of Turkish Village Carpets:

Concerns woolen pile carpets handknotted by village women in the Aegean region of western Turkey and a carpet-weaving project called DOBAG the natural dye research and development project supervised by Marmara University in Istanbul. Discusses the process of making a village carpet, carpet designs,
